Pursuant to RAP 10.8, Respondents Doug and Beth O'Neill ("O'Neill") submit the following as additional relevant authority for their Supplemental Brief: Neighborhood Alliance of Spokane County v. County of Spokane, 153 Wn. App. 241, 224 P.3d 775 (2009); *motion to publish granted* December 15, 2009 (holding that an agency may violate the PRA "by failing to conduct a reasonably adequate search" for requested electronic public records).

The specific section of Respondents' Supplemental Brief where Neighborhood Alliance supports the arguments made therein is:

- **Section III, Part A, Sub-part 3** (discussing how a search of Ms. Fimia's computer hard drive would not impose an additional burden upon agencies and that the City violated the PRA by failing to conduct an adequate search for the requested email).

Respectfully submitted this 29th day of March, 2010
